

# Navilock Laptop Security Cable for USB Type-A port with Key Lock

## Description

This universal laptop security lock by Navilock enables to lock different devices e.g. laptop, projector, monitor etc. at any place. The steel cable with its 1.8 m and **key lock** can be tied easily around objects like chairs, table-leg or anything similar and thus the device will be saved against theft. The swivel joint facilitates the attachment of the lock.

1,8 m

### Carbon steel

This **carbon steel cable with protective plastic shielding** is characterised by particularly high cut and theft protection and, at just 122 grams and a length of 1.8 m it offers optimum mobility.

**Item no. 20645**

EAN: 4043619206452

Country of origin: Taiwan, Republic of China

Package: Retail Box

### Locking up without a key

Due to the special mechanism it is possible to lock up without a key. The appropriate key is only needed for unlocking.
