

Navilock Laptop Security Cable with Key Lock for HP Nano slot

Description

This laptop security lock by Navilock enables to lock different devices e.g. laptop, projector, monitor etc. at any place. The steel cable with its 1.8 m and key lock can be tied easily around objects like chairs, table-leg or anything similar and thus the device will be saved against theft.

HP Nano slot compatible

This laptop security lock is compatible with the so-called HP Nano slot. The HP Nano slot is the 2.5 x 6.0 mm opening on the housing. On many devices this opening is marked with a lock symbol.

Locking up without a key

Due to the special mechanism of the laptop lock, it is possible to lock up without a key. The appropriate key is only needed for unlocking.
