

# Navilock Laptop Security Cable with Combination Lock for HP Nano slot - Carbon steel cable

## Description

This laptop security lock by Navilock enables to lock different devices e.g. laptop, projector, monitor etc. at any place. The **1.5 m long carbon steel cable** with 4 digit combination lock can easily be tied around objects such as a table leg, chair or similar, thus securing the device from theft. The **180° swivel joint facilitates** the attachment of the lock.

## Nano slot compatible

This laptop security lock is **compatible with** the so-called **Nano slot** and thus suitable for many particularly light and slim Ultrabook's. The 2.5 x 6.0 mm opening on the case is called Nano slot. On many devices this opening is marked with a lock symbol.

## Carbon steel

This carbon steel cable is characterised by particularly **high cut and theft protection** and, at just 104 grams and a length of 1.5 m it offers optimum mobility.

1.5 m

**Item no. 20967**

EAN: 4043619209675

Country of origin: Taiwan,  
Republic of China

Package: Retail Box
